For this home set in the Arizona desert, interior designer [Stephanie Larsen](#) wanted to ensure the building worked harmoniously with the natural landscape beyond.

If you're wondering [how to decorate with earthy colors](#), don't forget your home's exterior is a great opportunity to weave in warm, rustic tones reminiscent of the natural world.

'We love to mix brown and blue for exterior painting as we did for this Sedona home, where we used [Benjamin Moore Harbor Fog 2062-70](#) paired with [Benjamin Moore Jackson Tan HC-46](#), which reflects both sunrise and sunset in the desert,' explains Stephanie
